

THE DRUMMER'S ODYSSEY CAMP TERMS & CONDITIONS

- The deposit is a non-refundable payment that secures and holds your place at the camp. Once you have secured your place, you will be sent a second invoice to pay the remaining fee anytime between the invoice being received and two weeks before the camp.
- The booking form gets your name on the list of attendees, but your space isn't secure until the non-refundable deposit is paid. Upon payment, your place at TDOC24 is confirmed and will be secured for you.
- The 'Remaining Fee' payment confirms that you are attending the camp. You will not be sent the details for the weekend until that payment is made to confirm you are coming.
- Any cancellations made within the 2 weeks prior to the camp start date can not be refunded. The full £365 becomes non refundable 2 weeks before the camp. By paying the deposit to secure your space you are confirming you understand the cancelation policy.
- Accommodation is not included in the camp cost, but hotel details will be sent so that everyone has the choice to book the same one this year. (Hotel space & availability depending). There are multiple hotels in the area, but you will be told which one the tutors will be staying at if you would like to book the same.
- All camp attendees will receive a free goody bag with various merchandise items inside, and it will also contain your Camp Handbook and Camp Pass.
- You will need to bring with you a Practice Pad, a stand for it, drumsticks, and a stool.
- In the unfortunate case where a tutor cannot make the camp for reasons outside of TDOC control, a replacement tutor will be sourced and all attendees will automatically be given priority for next years camp. Refunds only become available if two of the 3 tutors need to be changed.
